• FOOTBALL CLUB •

Brunswick Football Club (BFC) Incorporated is an Australian Rules Football club playing in the Victorian Amateur Football Association (VAFA) and Yarra Junior Football League, based out of Gillon Oval in Brunswick.

We pride ourselves on being an all-inclusive, family friendly club that values honesty, integrity, respect, and the community in which we play and represent. Our vision is to become the preeminent sporting club in Brunswick and district.

Brunswick NOBs was formed in 1963 by old boys of St Joseph's College, North Melbourne, and became known as the North Old Boys. Over the years, the club gained a reputation as "the country club in the city" due to the large number of players who joined the club after moving from country Victoria to study or work. In 2018, the men will field four senior teams in the VAFA, including two Senior Men's teams, a Club XVIII and a new Under 19s team.

Brunswick Renegades was formed in 2014 by Brunswick NOBSPC to give women in the community an opportunity to play footy. Since the club formed, it has been very successful on and off the field, competing in 2 finals campaigns in 4 seasons, and in 2017 experienced rapid growth and fielded two senior teams with 70 players in the VAFA.

Brunswick Junior Football Club

Brunswick Junior Football Club was formed in 2010, and provides opportunities for boys and girls in Brunswick and neighbouring areas in the inner north to play football in a friendly and inclusive environment. The club fields teams across all age levels, from Under 8s to Under 17s, and strives to meet emerging community needs. In 2018, the club expects to register in-excess of 320 players and 16 teams.

What a difference a week makes! Brunswick NOBSPC travelled to Preston with some trepidation after recent losses but rebounded in the best possible way with a 10-goal trouncing of the Bullants.

We took advantage of the strong northerly blowing straight down the ground in the first quarter and completely dominated with 5.5 to 0.0, then managed to hold Preston to 2.6 when it was their turn, and most importantly used that half-time lead as a springboard for a "premiership" third term of 6.5 to 1.4 to blow the game apart.

There was some icing on the cake to follow in the final quarter as we made it a 61-point win to help with our percentage.

It was a tour-de-force for the Chrises, Horsley and Ford, with eight goals between them as they continued to lead the way for the club this season. The improving Matt Dickson and ever-reliable Geremie Ganino were excellent in the midfield, while Jayden Tilbrook returned from a lengthy injury-induced absence like he had never been out. Danny King was also good again.

That win keeps us a game clear of 9th and relegation, with a run home of St Mary's (2nd on the ladder) at home, Ormond (3rd) away, Whitefriars (10th) away, Therry (7th) at home and St John's (9th) away. We therefore hold our destiny in our own hands. Get down to support the boys as they aim to keep winning!

With a scoreline more akin to a soccer game of one goal to nil, Brunswick Renegades recorded a crucial fourth win of the season at Gillon Oval against Old Trinity, providing a real chance of avoiding relegation from Women's Premier division.

The northerly blowing across the ground played havoc with the skills of all players on the ground, but it was Emily Taylor who kicked what would prove to be the winning goal in the first quarter.

Such were the conditions that a frank post-game appraisal by one of the Renegades was that the real opponent on the day was the wind and the wind won! But we got the crucial four points to keep our season alive coming into the final round this weekend.

We play the bottom side, Melbourne Uni, at McAlister Oval on Sunday at 2pm and will be hoping that Old Trinity do the right thing by us on Saturday by defeating Old Xavs who sit one game clear at the moment.

We would love a big crowd to get down to cheer on the girls this Sunday!

UPCOMING EVENTS

PAST PLAYERS DAY 2017 | 19 AUGUST 2017 | ROUND 17

Our next walk down memory lane comes from former games record holder Daniel Tonkin. Daniel is one of NOBSPC's most decorated player. Club Captain, Big V representative, 300 game player and one of only 2 people to have played in both 1997 Grand Final and 2012 Premiership. Daniel's dedication to NOBSPC is only mirrored by his dedication to his core, footy trip show bags and keeping the fashion statement of sneakers with jeans alive.

In 1997 Frank Dunnell was senior coach and always had interesting ideas about how to gee us up before a game.

One time he made us run through the centre of the ground before a game on a really wet day. He told us to scoop up the mud and rub it on a faces, arms and legs. He told us it would intimidate the opposition.

I'm not sure it had the desired effect. We were all standing there rubbing mud on ourselves as the other team ran past in a tight group all looking at us wondering what the hell we were doing. I remember Michael Maguire, who prided himself on keeping clean during games protested by saying, "I really don't think that this is appropriate. I really don't think we should be doing this".

BRUNSWICK DRAGONS 2017 REPRESENTATIVE PLAYERS

We congratulate the following players from the Brunswick Junior Football Club who have attained higher honours this seasons. It is exciting to see so much talent in our junior ranks!

David Marchione represented the Yarra Junior Football League at the 2017 Junior Metro Championships. The U14 Division 1 YFJL side made it to the Grand Final against the Southern Metropolitan Football League, with David playing at centre half-forward.

George Kelly represented the YJFL in the Under 15(2) 2017 Junior Metro Championships Grand Final, where they defeated South Metro JFL and George was acknowledged as player of the series!

Freya Purdey and **Julia McArdle** represented the U16 Girls YJFL side in a match against the Murray Goulburn U18 Academy in Shepparton. The older girls were too strong but Freya and Julia more than held their own.

Angus Ross and **Francis Evans** also played in Shepparton against the Murray Goulburn Academy. In their game U16 YJFL boys had a big win against an U15 side. (Maybe next year the leagues will get the age groups to line up.)

Elijah Dwyer was selected to play in the 2017 Towards Zero David Zaharakis Diversity Squad (aligned with Calder Cannons). The David Zaharakis Squad remained undefeated this season, and was victorious at the 2017 5 Nations Zero Diversity Squad Match Day.

Daniel Mott, has been training with the Calder Cannons for two years and this year again made the Victorian Metro U16 team, which played off for the Australian Championship and lost by one point against WA. Between Calder Cannons and Vic Metro training, Daniel has also been playing with Brunswick NOBSPC, making his senior debut at the age of 15.
