

NOBNEWS 1987

REACH FOR THE HEAVENS IN '87

Welcome all you North Old Boys supporters to what promises to be another exciting edition of Nobnews. At last we are able to announce our full complement of sponsors for 1987. They are all listed on our new wrap-around, featured on this issue. On behalf of North Old Boys, we welcome the following new sponsors of the club and trust that all supporters will endeavour to use the services provided by these sponsors:

Deja Vu Ski	350-2177	(Peter Sweeney)
Strathmore Cellars	379-3353	(Frank Kraps/Michael Brophy)
AFS Financial Services	819-4855	(Dom. Peronne)
Carlin Motor Auctions	329-5133	(Frank Muto)
Martin Maloney Menswear	859-6885	(Max or Brian)
Quilmar Pty. Ltd.	597-0166	(Mick Moloney)
Senter Management & Catering	370-8322	(Tim Beckley/Chris Robinett)

Apart from Joe Cahill Transport, our second major sponsor for 1987 is the West Brunswick Hotel, which is part-owned and managed by a long time North Old Boy Supporter - Laurie Dwyer. Drop into the West Brunswick for an excellent meal or a quiet drink and talk football to the many celebrities that are always present.

RESULTS:

<u>ROUND 3:</u>	<u>Seniors:</u>	Ormond	17.11.113
		North Old Boys	9.13. 67
	<u>Goals:</u>	Considine, Egan 2; Muto, Bowman, O'Rourke, Hanlon, Booth 1.	
	<u>Best:</u>	Malone, Curulli, Considine, Carroll, Booth, Griffin	

After a number of disappointing games, North Old Boys applied themselves diligently and played tight, aggressive football. A great third quarter saw us draw to within four points of Ormond. Five minutes into the last quarter, we were within three points; however, our usual 'one quarter' fade out struck and we allowed Ormond to kick a further seven goals and run away with the game. Greater 'four quarter efforts' are required from all players and the results will come accordingly.

<u>Reserves:</u>	North Old Boys	17.7.109
	Ormond	12.21.93
<u>Goals:</u>	Siluca 4; Dillon 3; Zabrieszsch, Lynch 2; Millett, Brown, D.Baker, Zumbo, Sexton, Romeo 1.	
<u>Best:</u>	Zumbo, Hanley, Devine, Brown, Lynch, Currie	

A particularly pleasing result from the Reserves. After being down 7 goals to 2 mid-way through the first quarter, we allowed Ormond a further 5 goals to our 15. Tenacious tackling and persistent will to win set the win up and, although some degree of tiredness in the last quarter, all players are to be congratulated.

Under 19's: De La Salle 31.31.217
North Old Boys 3.6.24

'H' Grade: State Bank 12.4.76
North Old Boys 10.11.71

ROUND 4: Seniors: North Old Boys 9.10.64
University Blues 6.12.48

Goals: Parsons 4; Girolami 2; Hibbert, O'Rourke, Cahill 1.

Best: O'Rourke, Considine, Carroll, Turnbull, Griffin, Schmidt.

The seniors 'broke the ice' with a meritorious win in very windy conditions, which made good football very difficult to achieve. All players showed the full four quarter commitment that coach Don Martin has been seeking for weeks!

Congratulations men ! Let's go on with it now.

Reserves: North Old Boys 9.8.62
University Blues 6.9.45

Goals: Donato 4; Butler, Dillon, Romeo, D.Baker, Siluca 1.

Best: McLean, Borcich, Siluca, Lynch, Cotter, Donato.

Once again the Reserves had a very good win. The reserves are currently showing great discipline and team spirit and great things are expected this year. Mauro Borcich the old stager, playing his first game for the year, put in a great performance. Watch out Seniors!

Under 19's: University Blues 30.31.211
North Old Boys 2.0.12

Goals: Dwyer, Batten.

Best: Ludlow, Bourke, Keogh, Alevraz, Morphy, Orelli.

The Under 19's have been on the end of some real hidings in the last 2 weeks; however, lads, it is important to learn from these games, keep together, and try harder for yourselves, your coach and your club.

'H' Grade: Old Geelong 15.11.101
North Old Boys 8.7.55

'SPURLING FORMAL HIRE'

Spurling Formal Hire has grown from humble beginnings in 1966 to a national supplier of Mens and Boys formal wear.

The operations in Melbourne are co-ordinated at our North Essendon warehouse where there is also a retail store with the other retail outlet at Footscray (the place where business began).

1986 saw the opening of a second warehouse in Queensland and is operated by a late 1960's player in Frank Park. The Essendon warehouse is controlled by Tony Spurling who played for our Under 19's in the early 70's. Bob Spurling, who started the business, can often be found not only at Brens on Saturdays, but also at anyone of his Formal Wear outlets.

Spurling Formal Hire has always been well supported by N.O.B.'s and their friends and hopefully will continue when the occasions for formal attire arise. Special rates are available for N.O.B.S and friends, provided they contact either Tony or Bob Spurling.

Spurling Formal Hire wishes N.O.B.A.F.C. ultimate success in 1987 and is proud to be associated with such a successful club.

PHANTOM'S PUNCHLINES

Due to unforeseen circumstances - the lack of gossip, scandal, personalities and the fact that the ladies have entered a page in Nobnews and even a delegate onto the Committee, the Phantom has 'spat it' this week and we escape (at least for this edition) the wrath of his sarcasm, cynicism and innuendo.

Not only that but WE WON! (Wonder if he got locked up in Wagga?)

EDITOR'S NOTE:

Well at the end of another Nobnews it's good to finish on a high with wins recorded in our First and Seconds and with hopes for the U19's and 'H' Grade. Any articles, advertisements etc. once again can be forwarded to:

D.Zabrieszach, 45 Streeton Circuit, Mill Park, 3082.

A special note to welcome the Ladies Page and to also mention that as of our next home game a number of improvements will have taken place in the clubrooms and ladies facilities. Also, after the game, cheese and biscuit spreads, plus delicious dips and champagne will be available to ensure your visit to the clubrooms will be an enjoyable one and to hopefully encourage a few more of you to attend.

See you all on the 9th at the Cocktail nite.

LADIES COMMITTEE NEWS

Well it only took a small number of us to show a bit of interest in forming a 'Clayton's' Ladies Committee and we are certainly gathering some momentum! By 'Clayton's' I mean that it is a committee, but without anyone in authority we are all equally involved and hope that this type of committee will appeal to many of you out there who would like to help out but not feel pressured or forced into any office bearing role.

As you have already read, the men of the club are to improve after match refreshments and facilities for the ladies as well as the eventual installation of a stove and a door to our kitchen, and this after only two home games!

Attached with this edition is the Canteen Roster for Season 1987, being only a further six games at home. We would like to thank all the ladies who have volunteered their services to run the canteen on their specified days. If anyone else is interested in helping out, although we have the roster taken care of, we do require plates of cakes, sandwiches etc. for the Afternoon Teas and naturally the better the spread, the more attendees and thus more money raised for the club! So please, even if you cannot get to all the games, either send a plate with your hubby, boyfriend or bring it along when you come!

With reference to the Afternoon Teas - A very special thankyou is in order for two staunch North Old Boys Supporters and Mothers Mrs. Rita Griffin and Mrs. Nessa Lynch. The friendly faces of these two ladies are those that serve you all afternoon tea EVERY week and we thankyou quite sincerely for your efforts ladies.

It is our intention to run two CHICKEN AND CHAMPAGNE luncheons for everyone on the 23rd May vs. Old Parade & 8th August vs. De La Salle the last game.

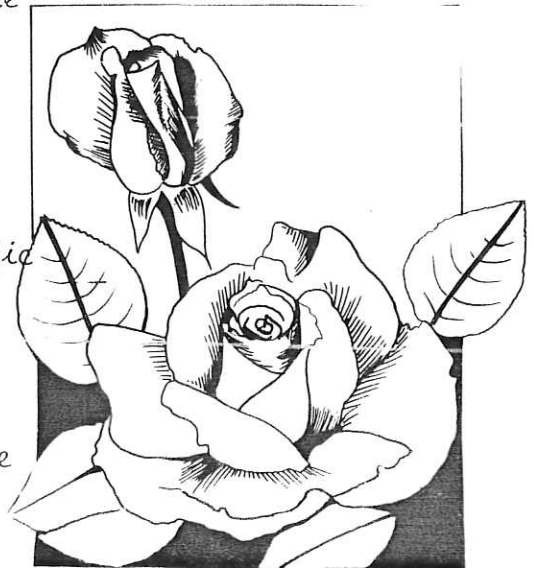

There will be a meeting to discuss and organise the first of these functions at the home of Mary Maloney 15 Valley Cres. Glenroy on the 19th May. We would like to see as many of you as possible at this meeting and even if you are a relatively new girl please come along and meet the rest of us!

There will be a Ladies Restaurant Night on the 29th May time and venue to be confirmed so keep this night free.

We will also be organising a Raffle with a terrific prize - More later!

All for this edition see you at the Cocktail Party.

P.S:
Thankyou to all ladies who brought or sent a plate along for Saturday's Game against Uni. Blues.
