

Hello out there! We know you're out there somewhere, not that many copies get returned! Yes we're talking to you, our supporter base. This Saturday is our penultimate game for the year at home base, Brens Oval. It is a vital game for the Senior side against Old Xaverians, one we must win to put us back into the four. Don't wait until September for your next day out at the Amateurs, unless we get more support on a weekly basis we may not be there!

The encouragement of a good crowd on Saturday may be just what is needed to get the side firing again. The signs were there early on against Uni Blues but unfortunately we faded once again. Come on down and support the Club on Saturday and bring a few mates into the bargain! Tony Duggan may even shout you a beer after the game, now that would be worth it!

Our momentous one point win against Marcellin put us back into the four but indifferent performances in the following weeks have seen the Senior side drop to fifth place. A good win on Saturday will put us back in the hunt, although Marcellin, in fourth place, should beat Kew. The next week will test our mettle, meeting Ormond on their home turf, followed by Parade and finally Kew.

The reserves too face a tough battle to climb back into the four playing two higher placed sides in the next four weeks. So maybe if you are coming on Saturday you could make a day of it!

The under 19's are also battling to make the finals but have an easier(?) run home than the senior sides. The next few weeks are vital to all three teams so let's get behind them and give them the support that they deserve.

THE GOOD NEWS SECTION.

Chris Hibbert is well and truly on the mend and will be back in the work harness shortly. All questions concerning his football career have received a firm "no comment!"

Dennis and Judy Fogarty and Paul and Anna Lacava have acquired a couple of tax deductions with the birth of Jack Sidney and Lucinda Rose, respectively. Mothers and siblings are doing well while dads were doing extremely well last Thursday at the rooms!

PHANTOM SPITS IT!!!!!!!!!!!!!!

The flurry of activity in Queensland following the Fitzgerald charges has caught the Phantom with his tights down. His Phax machine has been running so hot he has been unable to meet the deadline for this edition he did point out however that "I WILL BE BACK"!!!!!!

" Don't forget to mention that little gem about Tommy and Margaret O'Toole getting a late night ride home in a taxi with a blue light on top though" he said, worried that old news is no news.

He has also heard the whisper that "Hollywood" George Moloney is off the amber fluid. "Don't worry George, Joe will be back soon! Ha Ha!"

And a little advice for Fuzz, still chasing a certain filly at the race course - sorry did I say filly - read mare!

Phantom say: " When two stallions chase the one mare, one of them is sure to get it in the rear! I will never apologise....."
